APPLICATION FOR STUDIO SPACE AT KINGSGATE WORKSHOPS

Kingsgate Workshops Trust maintains a building that welcomes practitioners from the arts and crafts. Through its education projects and Gallery exhibitions, the Trust aims to make these creative skills available to local audiences. Studio holders enter into a licence agreement with Kingsgate Workshops Trust and are expected to contribute to this programme as part of the licence agreement. Kingsgate Workshops Trust values the wide range of arts and crafts represented by the licence holders. We aim to maintain this wide-ranging balance of work.

Once your application form is received it will then be classified by discipline and you will be placed on the waiting list. A committee meets only when a studio space becomes vacant to draw up a short-list of suitable candidates who will be invited to view and be interviewed for the space. Please note that Studios are **not** offered on a first-come first-served basis.

All new studio holders are required to serve on one of the voluntary committees, after a period of three months, in order to ensure participation in Kingsgate Workshops community.

Please complete the form and send electronically to mail@kingsgateworkshops.org.uk with your attached CV and jpegs of your work.

Studios vary in size from 10 – 55 square metres and cost £98.43* per square metre per year. Deposits are part of the licence agreement. You will also be liable for a modest charge towards the upkeep of communal areas. Electricity is not included and is metered separately.

The Trust cannot foresee the length of time before spaces become available.

Thank you for your interest in Kingsgate Workshops Trust.

* new charge for 2007. Review due 1st January 2008.
